Qualifications

Currently serving on the WUNC/NPR Public Radio Board of Directors. Completed the Cumberland County Leadership Academy (North Carolina); serving on the Emergency Response and Preparedness Executive Committee for Cumberland Country

Unique qualities

- Would like to be involved in the WPW community, bring to the table an intimate knowledge of the Army Reserve and being a Warrior Citizen. I understand the unique challenges of navigating the role of being a wife, mother, sister, Soldier and Civilian. There is no person that I would rather be, than the one that I am now and the woman that I am even yet to become.

Board Interest

As part of my desire to continue to serve in all aspects of my life, I would like to extend that service to my alma meter. There is so much that West Point has given me in terms of continued service that I would like to impact the next generation.

Current and Previous Board Experience

- Other than the Army which is my life and my spare time right now. I love to cook and read. Those are particular pastimes where food and fellowship with my family and friends are involved---there are no greater memories.
